## **YOUR DESTINATION** – NAFPLIO: THE HISTORIC CITY

Popular among Greeks mostly as a weekend destination, Nafplio is a lovely historic town of the Peloponnese with a neoclassical style. Back in the early 1830's it was the first capital of Greece. The old town of Nafplio is very beautiful, with colourful neoclassical buildings, narrow alleys, paved paths, old mansions, big squares full of coffee shops, tourist shops, restaurants & taverns. Many historical sites can be visited in the area, while the beach is also close by.

### GO FOR IT
